

W-Ball games start on March 14, 2026!

[ActiveNet Registration Form](#)

Another W-Ball season is about to begin! W-Ball is sponsored by the Woodside Recreation Committee and is for kids between the ages 3-6 (through Kindergarten only) who want to learn to play T-Ball in a fun and safe environment. Participants do NOT need to live in Woodside. Every week, the kids will be learning the basic skills of T-ball, being part of a team, and having fun! No scoring, everyone hits, and everyone plays the field. W-Ball is an all-volunteer league – **please sign up to help coach/support your child's team**. It's easy, fun, requires no prior experience and makes a lasting impression on your child — W-Ball is a wonderful Woodside tradition! We cannot guarantee teams if we don't have coaches. We strive for 2-3 coaches (parent volunteers) per team, so encourage your friends to volunteer as well!

The 2025 season will run from March 14th through May 9th (6 games total; no games on Spring Break weekends: April 4th and 11th and no game on May 2nd for May Day festivities) with games being played on Saturdays from 11:00am –12:00pm at the Woodside Elementary School, Kindergarten Field (south end of campus).

[SEE FULL SCHEDULE](#)

Cost is \$75 per player (includes a baseball hat & jersey). Please register through the ActiveNet Registration Form link above or drop off to the Town of Woodside with a check (made payable to Town of Woodside). The fee will be used to cover T-shirts, hats, equipment, insurance through the Woodside Recreation Committee, field use, and an end of the season party.

The registration deadline is Sunday, February 22, 2026. Late sign-ups will be allowed on a space-available basis but are not guaranteed a personalized team uniform. If you have any questions, please contact Zack Simkover at (858) 736-5385 or at zsimkover@gmail.com.

For more information on registration and game schedule, see the Town's website @ <https://www.woodsideca.gov/304/W-Ball-League> or please also contact our W-Ball commissioner Zack Simkover (zsimkover@gmail.com).
